**FINDING THE OFFICE**

The office is easy to find in Winston-Salem. It is located in the second tallest building downtown (the tallest one with a square top), so if you're close, you can find it by sight. I realize, however, that watching the skyline is not the safest way to drive, so I offer the following driving directions to help you locate it.

The office is located on the 24<sup>th</sup> floor of Winston Tower, 301 North Main St. To park in the garage (which is free while visiting the office), enter the building from the rear. If you use your favorite mapping software to get here, use the address 301 North Church St. to find the parking garage entrance. *(The parking spaces are relatively small, so if you have an unusually large vehicle, street parking may be your best bet.)*
